54WARD INTEGRATED SOLUTIONS

NEW SIMPLE COMMAND™ VOICE BOX

54WARD INTEGRATED SOLUTIONS

Introducing SimpleCommand, the latest innovation in vehicle safety from 54ward Integrated Solutions.

SimpleCommand is an economical, easy to use and install voice control solution for emergency vehicles.

Designed to be installed into existing vehicles, SimpleCommand delivers functionality and safety allowing the vehicle operator to keep their eyes on the road and hands on the wheel. Voice control of emergency lights, radios, radar, cameras, CAD/RMS and other components combined with 54ward's support and service ensures operator safety and agency confidence. For more information or to schedule a demonstration visit www.54ward.com or call 888-591-6100.
