

## Digital Ally to Attend The 31<sup>st</sup> Annual ROTH Conference

*Digital Ally to serve on the Critical Safety and Security-Technology's Impact on Public Safety Panel*

**Lenexa, KS | February 19, 2019**

**Digital Ally, Inc. (NASDAQ: DGLY)** which develops, manufactures and markets advanced video surveillance products for law enforcement, homeland security and commercial applications, is pleased to announce that it will be attending the 31<sup>st</sup> Annual ROTH Conference from March 17-19 in Dana Point, California. A webinar will be conducted approximately two weeks prior to the start date that will allow investors to learn more about Digital Ally.

Digital Ally has participated in many ROTH Conferences in the past and is very pleased to be attending again this year. "This year we are especially excited since we will be a part of the Critical Safety and Security-Technology's Impact on Public Safety Panel," stated Stan Ross, Chief Executive Officer of Digital Ally. This panel will give insight into the advancing technologies in the public safety market, the selection process of providing a solution and the future of public safety.

Digital Ally will be available for 1 on 1 and small group meetings throughout the conference. A link to the pre-recorded webinar will also be available on the ROTH Conference website and distributed on behalf of Digital Ally.

### **About Digital Ally**

[Digital Ally](#)®, headquartered in Lenexa, KS, specializes in the design and manufacturing of the highest quality video recording equipment and video analytic software. Digital Ally pushes the boundaries of technology in industries such as law enforcement, emergency management, commercial fleets, and consumer use. Digital Ally's complete product solutions include in-car and body cameras, cloud and local management software, and automatic recording technology. These products work seamlessly together and are simple to install and operate. Digital Ally products are sold by domestic direct sales representatives and international distributors worldwide.
