COMPLETE FRONT- AND BACK-END VIDEO SOLUTIONS
FOR FLEET VEHICLES, LAW ENFORCEMENT & SITUATIONAL SECURITY

NASDAQ: DGLY
This presentation of Digital Ally, Inc. contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Act of 1934. The Company intends that such forward-looking statements be subject to the safe harbor provided by the foregoing Sections. These forward-looking statements are based largely on the expectations or forecasts of future events, can be affected by inaccurate assumptions, and are subject to various business risks and known and unknown uncertainties, a number of which are beyond the control of management. Therefore, actual results could differ materially from the forward-looking statements contained in this presentation.

The Company cannot predict or determine after the fact what factors would cause actual results to differ materially from those indicated by the forward-looking statements or other statements. The reader should consider statements that include the words “believes”, “expects”, “anticipates”, “intends”, “estimates”, “plans”, “projects”, “should”, or other expressions that are predictions of or indicate future events or trends, to be uncertain and forward-looking. The Company does not undertake to publicly update or revise forward-looking statements, whether because of new information, future events or otherwise. Additional information respecting factors that could materially affect the Company and its operations are contained in its annual report on Form 10-K for the year ended December 31, 2019 and quarterly report on Form 10-Q for the three and six months ended June 30, 2020, as filed with the Securities and Exchange Commission.
AGENDA

• Digital Ally Overview
• Law Enforcement Solutions
• Commercial Fleet Solutions
• Situational Security Solutions
• Financial Overview
• Recent Positive Developments
• First Line Safety Products
• Future Excitements

• Repair and services
• Cloud-based recurring services
LAW ENFORCEMENT
LAW ENFORCEMENT SOLUTIONS

VuLink wirelessly auto-activates all video systems

VuLink built into EVO-HD

Auto-activation requires VuLink module for FirstVu and DVM-800
FLEXIBLE STORAGE SOLUTIONS

Cloud: Eliminate the need for on premises servers and maintenance - powered by Amazon Web Services.

Hybrid: Access web-based software from any web enabled device and store video on local servers.

Local: Gives agencies the ability to store video evidence locally on premises.
“As we looked into video solutions for capturing digital evidence, we chose Digital Ally and haven't been disappointed. They had the most complete solution, and the flexibility of products and support for our unique needs.”

MARK MATHIES, CHIEF OF POLICE | EDWARDSVILLE PD (KS)

FirstVu HD

Asset Tracking Unit (ATU)
FleetVu™ Manager

Complete Video & Telematics Management Solution. Digital Ally provides commercial fleet managers with the digital video tools they need to increase driver and passenger safety, track assets in real-time and minimize company liability risks. Generate driver reports, identify at risk behaviors before an incident takes place, manage the entire fleet through a single, easy to use platform.
**ROI - MINIMIZE YOUR LIABILITY RISK**

**Accidents**

*Return of Investment (Di Pilla 2004)*

- Severity: -79%
- Frequency: -50%

Studies on the impact of implementing in-car video systems in vehicles showed that there was a significant reduction in the **frequency** and **severity** of accidents when compared to the prior year.

**Driver Behavior**

*Return of Investment (Di Pilla 2004)*

The study showed a reduction of motor vehicle violations & accidents by **75%** and a significant reduction of “**at-risk**” behavior.
“In a recent expansion of our partnership to our Colorado Springs fleet, we spent 60 days focusing on driver behavior and using it as a coaching period. With a few key changes to our driver safety strategy, zTrip has been able to realize an 80% reduction in claims in only eight months thanks to Digital Ally’s innovative technology.”

BILL GEORGE, CEO | zTRIP
SITUATIONAL SECURITY
SITUATIONAL SECURITY

FirstVu HD

IP Camera

PTZ Camera
• Right size your video needs per event
• No need to hire additional staff to manage

MONETIZATION OF ROBUST PATENT PORTFOLIO

Auto-Activation Related Patents in Law Enforcement
- Current patent infringement lawsuit against Axon
- Settlement with WatchGuard for $6 million
  - License granted through December 2023
  - License can be extended by the parties if necessary
  - Refer to publicly available documents for further details
- Others within the industry may violate our patents

Other Patents in the Portfolio
- Body-Worn cameras
- In-Car video systems
- Wireless electrical conducted weapons
- Breath analysis devices and digital video recorders
- Video “marking”
Launch of COVID-19 Response Safety Products

- **Shield™ Cleansers** disinfectant, cleanser and wound care line trademarked and launched to immediate demand via direct sales and distributor network
- Related product development launched – electrostatic sprayers, non-contact hand sanitizer dispenser
- **ThermoVu™** non-contact temperature measuring instrument sourced, trademarked and launched to immediate demand via direct sales and distributor network

Increased Demand for Body Cameras and In-Car Systems

- Recent developments are increasing the interest in Digital Ally’s video technology
- Signs are pointing to near-term legislation mandating the funding, purchase and implementation of body cams across the world, not just U.S.
- Company has solid infrastructure to close deals and meet demand

Improved Financial Position for Critical Investment

- Partnership development (manufacturers, distributors, NASCAR, Indy Car, etc.)
- Current on payables with critical vendors
- Investment in CRM, lead gen, targeted awareness, content development and webinar program to educate law enforcement and EMS industry on Digital Ally’s value proposition

Increased Demand for Commercial Products

- Notable deals being closed in commercial fleet sector
- Investing in advertising and technology to leverage increase in demand
NEW SAFETY PRODUCTS LAUNCHED
2020 Guidance
- Revenue expected to exceed $13.5 million for fiscal year 2020
- Continuation of increased recurring service revenue
- Factors:
  - Launch of EVO-HD
  - Commercial Fleet customers
  - New Market Channels
  - New ThermoVu and Shield branding product lines

New Products Will Dominate
- Body-Worn Camera Series
- In-Car Video Systems
  - Law Enforcement – EVO-HD
  - Commercial Fleet – FLT-250
- Storage Solution
  - Hybrid Storage Solution (EVO-HD)
- VuLink (patented) – Litigation
  - RFID Technology (patented)

Domestic Law Enforcement Market Improving
- Budgets and Funding is becoming less of an issue
- Courts and Juries demanding video evidence
- Liability protection is proven
- Our product suite is second to none

Potential New Market Channels
- NASCAR and Indy Series Events
- Schools/Universities
- Private & Event Security
THE POWER OF PARTNERSHIP
CAPTURE TRUTH
